Subject:Flutter Mobile Developer-OMAR AHMAD

Dear Hiring Manager,

I read your job offer for the position of a flutter mobile developer on WOBB,and I would like to express my deep interest in this position.

Currently i am a final year student at the University of Malaya and will soon complete my studies from the Faculty of Computer Science and Information technology with a 3.83 CGPA, i spent my last semester learning and working with Flutter to create my final year Project as stated in the attached resume, which has equipped me with knowledge that qualifies me for the requirements of the job and will allow me to benefit Vimigo. in the following ways:

- I can create mobile apps with various objectives and clean user interfaces.
- I can test the mobile apps to make sure they are error free and to ensure that the user experience will be smooth.
- I can deploy mobile apps on both Android and IOS.

My years of education and industrial training that I have received in university thrived on my critical thinking and problem solving skills, it also made me a team player and keen on learning new things.

I look forward to the opportunity to attend an interview to provide you with more details at any time convenient.

Thank you for your time and consideration.

Yours Sincerely,
OMAR AHMAD MOHAMED
